

Girlfriend

Jenny Hackett

I told her two weeks a-go my real name I told her but she still
treats me just the same I try to laugh a-bout it Shrug the hurt a-way
Hiding the tears ev'ry single day! She's way too hung up on her boy friend
For her to e-ver love her girl-friend She's way too hung up on her boy-friend
For her to ever love her girl-friend instrumental
Last week we went and bought a skirt: our little date
This week she's telling me she'll never not be straight I try to
laugh a-bout it Shrug the hurt a-way Hiding the tears ev'ry single day!
She's way too hung up on her boyfriend For her to ever love her girlfriend
For her to e-ver love her girl-friend instrumental
